VOLUME 3, ISSUE 2

FEBRUARY 2011

Stone

It's February in Minnesota and that means only one thing... it's COLD! Have no fear though, Spring is right around the corner. It's a great

time to get

started on new landscaping ideas.

Stop by and see the unbelievable deals we have on our decorative stone fountains, garden pots, and yard accessories. Availability is limited so please hurry!

Finishing Touches

Switch plates, also known as light switch covers, were

Single GFI/Rocker Switch Cover

once exclusively utilitarian items. A piece of hardware used to cover an electrical hole in the wall. However, in recent years, switch plates have catapulted into a realm

of decorative accessories, and have become one of the

finishing touches that really completes a room.

Having realized the design impact that these once practical and strictly functional items have on a room and a home, manufacturers expanded the selections that they offered. Switch plates are now available in a large

variety of styles and finishes. These statement makers come in a plethora of outlet combinations, so no matter

what kind of grouping you have in your home we will be able to find something to fit. Choose from contemporary, traditional, fun, or subtle.

One Safe Year

Well, it has been one year since Nob Hill introduced its collection

of safes and we have had a tremendously positive response. We realize the importance of our clients' desire to protect their most valuable documents and possessions. We also recognize

that not everybody's needs are

the same, and in turn are dedicated to providing you with a safe that will fit your protection

requirements. With so many options it can be confusing to

determine exactly what you are looking for. Please allow us to help. Stop in or call and talk to one of our educated associates about your safe options.
