## White Light by Ashley Norton

Ashley Norton has added a new option to their already popular bronze line. They are now offering both their

door hardware and cabinet hardware in a white light finish. The new white bronze patina from Ashley Norton creates a warm, contemporary ambience. The color lends itself to modern décor, yet retains the age-old feel and look of bronze.

Like the other finishes offered

by Ashley Norton, the white bronze patina is a living finish, which means it is designed to mature and evolve with its environment over time.

Once installed the effects of age, climate and touch will work in conjunction to create unique contrasts color variations. Each piece of hardware will blend into its surroundings and transforming into one of a kind. For cli-

ents who appreciate the new look of the white light finish, not to worry. With a little bit of polishing, each hard-

ware piece can be brought right back to its original luster.

To get a glimpse of your fa-

vorite Ashley Norton items in this new stunning finish please visit their website at [www.ashleynorton.com](http://www.ashleynorton.com). We will have a sample board in our showroom shortly. For additional information please call and speak to a sales consultant, or stop in today!
