

## Stone Hill

Stone Hill is having a pre-season blow out sale on all of its decorative garden

pots. We need to make room for

new inventory for the 2010 season, and these pots are priced to move.

Now is a great time to take advantage of the phenomenal deals and be ready once spring arrives.

Select fireplace surrounds are also marked up to 80% off in order to make room. Stop by or call to see what we have for you!

## Peace of Mind at Home

Nob Hill is excited about the newest addition of merchandise recently added to our

Wall Mounted Safe

showroom. Residential safes. AMSEC (American Security Products Company) has dedicated itself to manufacturing high quality, high security safes since 1946. They offer over 400 standard models of burglary and fire resistant safes, and now they are available to

you, through us. Whether it's wall mounted, built into a cabinet, or just out of sight, a safe will buy you time and protection in the event of a robbery or fire that even the most advanced secu-

Four Drawer Cabinet

rity systems can not. These safes can protect your important documents and other valuables conveniently at home. They use a combina-

tion of heavy duty construction and sophisticated locking mechanisms to prevent theft,

Storage Vault

as well as advanced materials to protect against fires. They are available with either a combination lock or with an electronic key pad. There are also a variety of accessories available to help store your valuables within the safe. Please call or stop in today for more information.

## Schaub is Bringing Leather Back

Schaub has recently released the latest addition to its very innovative Symphony collection. The new pulls and knobs are exquisitely designed with a combination of leather and exotic inlays. There are six different leathers available to chose from, Ambassador, Antique Green, Antique Red, Black

Angus, Chocolate, and Sienna. You can opt to combine two different

types of leathers together in one pull, or add a touch of modishness and merge any one of the leathers with either White Mother-Of-Pearl

or Tiger Penschell. The solid brass parts are available in Polished Nickel, Paris Brass, Champagne Silver, and Dark Antique Bronze. With all of these options there should be no problem coming up with something totally unique to satisfy your hardware needs. Stop by and see them today!
