Quality Hardware-Fast!

Good news for those who desire quality hardware and need it in a hurry. Baldwin now has a quick ship program that includes; knobs, levers, handle sets, deadbolts and more. There are four styles available through this program including Traditional, Rustic, Bethpage, and Contemporary. Baldwin does not disappoint with the finish options offered on these easy to get products either. Items available through quick ship will be in stock and ready to ship when you need them. Expedited freight options are also available. Please contact a sales representative for more details.

The New Classic Hardware

Nob Hill is proud to display new products from Classic Hardware's latest collection, "Marella Designs". This collection offers Architects and Designers one of

the largest varieties of hardware presented by manufacturers today. It is an innovative contri-

Stone Hill is continuing our mid-season blow out sale. Almost all of our granite and marble statuary items, decorative garden pots, water fountains, and vases are marked down by 50%.

We are also still offering a 20% discount on any

tribution to the furniture and hardware industry alike. The designer Bosetti Marella's wealth

of experience guarantees continuity throughout his entire line. The innovative collection boasts 12 new categories unique in style and design with over 400

items/finish combinations. Among the inspirations for these categories are: shapes, nature, surfaces, orient, colors and more. Whether you are looking for

something classic, unique, or contemporary, this line is sure to fit your design needs.
